Re: Cable termination information

Dear homeowners,

We are writing to inform you of an important update regarding our community's cable service. As announced in our meeting on September 4, 2024, our contract with Comcast/Xfinity will be discontinued as of November 28, 2024. We understand this may cause inconvenience and are trying to provide you with as much advance information as is available to us. You should have received a welcome email or letter from Xfinity with details on setting up a new account. If not, please call them (855-870-1311) or visit their location at 2616 S. Voss Road.

Please note that you are not obligated to choose Xfinity and can pursue alternative options.

If you have any questions or need additional information on the process, please do not hesitate to contact our office at 713-783-9043 or email us at office@briargrovedrive.com.

We appreciate your understanding and cooperation during this transition.

Best regards,

Board of Managers
